This paper is submitted in response to the First Office Action dated March 9, 2006 for the above-identified application and is a supplement to the initial response filed by the Applicant, on May 10, 2006. This response does NOT replace the May 10, 2006 response, but is an addition to it. The Office Action set an initial three-month shortened statutory period for response and this supplemental response is filed within two months and two weeks of that period.

**REPLACEMENT AMENDED CLAIMS IN COMPLIANCE
WITH 37 CFR §1.75(h) and 1.121.**

Applicant did fully understand that the claims must be totally separated from the rest of the response, so he has attached another copy of all claims with further amendments, that fully complies with 37 CFR §1.75(h) and 1.121. I apologize for any confusion this causes.
